## Airsoft gun, safety equipment & game gear hire form

Full Name: \_\_\_\_\_ Phone Number: \_\_\_\_\_

Forum Name: \_\_\_\_\_ Age: \_\_\_\_\_ Hire Date: \_\_\_\_\_

### Gun hire conditions:

I accept full responsibility for this airsoft gun & equipment for the period of hire.

I will treat it with care, not lend it to others, expose it to dirt or water or remove parts from it.

I understand that I can damage the battery if I use the airsoft gun when it is nearly depleted. I need to advise a game marshal the moment the gun starts to sound sluggish when firing.

I agree to pay to repair any damages that I cause that are not general wear & tear at our armourers rate of \$20 per hour plus parts. This may include cleaning if the gun is dropped into the dirt/water.

Signed: \_\_\_\_\_ Parent/Guardian if hirer is under 18: \_\_\_\_\_

Gun #: \_\_\_\_\_ [ ] Hit marker [ ] Arm band [ ] Face mask *(To be filled in by armourer)*

Returned in good condition with all accessories: \_\_\_\_\_  
(Armourer) (Hirer)
