Under 18 years participant mask exemption request

NOTE: This form must be read and signed by the parent or legal guardian of the under 18 participant.

At Sport Airsoft Ltd., our participants safety is one of our primary concerns. Due to the nature of the game, airsoft ammunition (BBs) has the possibility to cause moderate to severe damage such as damage to teeth, lips, inner ear, loss of eye sight or bleeding to exposed areas of the face, hands and other areas of exposed skin. This is why all players are advised to wear suitable protection.

It is our rule that all players under the age of 18 years wear a full face mask. These masks are provided with our hire guns, or will be your responsibility as a parent or guardian to purchase and provide.

Some adolescents however may choose to not wear a full face mask and while we will respect that choice, we will require that you, the parent or guardian agree that your child does not need to wear a full face mask and be prepared to take responsibility for any injuries which may result.

I, the undersigned, specifically acknowledge that I, as a parent/guardian, have read and understand this document and recognise that by signing it, I will be allowing my son/daughter to play airsoft without the obligation to wear a full face mask. I accept all responsibility for any injuries which may result of this decision.
